It's very, very important the P & A reports get sent out every month. Many reports, invoices, statistics are needed. Even if you have no meeting (say December) we still need a report. Remember also to include a death of a Lioness to be listed for the pamphlet. At the District Convention, there is a "Remembrance" Ceremony conducted. Its quite moving to experience. We want to honor our Lionesses and all their years of serving.

Also, send a P & A report to your Lions Secretary in your area. I sent a sheet out earlier for your convenience.

Our next Affiliate District Meeting is March 16th, 2019 at Angie's in Shawano. This is open to all. If you are interested in joining us, we start at 9am. If you want breakfast then plan on being there at 8am.
