FROM YOUR PRESIDENT

Hello all!

Wow! Summer is over for another year! Isn't it great to know that everything you do will reflect not only on your community, but other communities, the state and the world!

I am proud to be part of such an awesome organization! With the Lions, the Lioness and the Leos, we are so diversified with who we touch in our daily lives, and put it all together, it makes a huge difference in not only our part of the world, but all of it. Kindness and goodwill trickles through some amazing ways to touch all of humanity, not only humans, but all of God's creatures have benefitted somewhere, sometime, through the help of a Lion, a Lioness or a Leo. Or part of their family and friends, who see and want to make a difference.

Don't forget that the Affiliate will be hosting the 2018 Lions Convention, with the help of St. Germain Lions. Let's make it a record year for attendance! As part of the Affiliate District 27C2, you and your club are part of the convention; the planning, the hostessing, the volunteering, etc. Each club has at least one representative on the Affiliate board, and it's your club's responsibility to help her in her endeavors. This is a first in Wisconsin, or, maybe the world, that a Lioness will host a Lion's convention, Make yourselves proud! We are hosting an awesome lady who will be representing Cordelia Harvey as a speaker at the convention.

I love conventions! You meet new friends, get fresh ideas, network with some of the most positive people in the world!

We are having a contest for the convention pin design! Winner will receive....bragging rights for the first Affiliate District 27C2 convention pin! Joan McDonald will have an article explaining the rules!

I think it is awesome that the lioness clubs interact and attend as many of the other club's fundraisers. Awesome.

Together Everyone Achieves More!!! TEAM!! Gotta love that word! Own it! Make it yours today!

More exciting news!!

The Council of Governors were asked by the Affiliate State

CONVENTION

The 2018 convention is going to be one you will want to be sure and attend. Many new ideas are being considered so that the Lioness will be able to attend their choice of scheduled sessions in the afternoon. There will be so much to learn. The annual Lioness meeting will be held in the morning on Saturday to make this possible.
Meeting with old friends and getting to know new friends is always a benefit. The Expo will introduce you to what is going on in our state. Where your donations are going the good they are doing. Of course you need to be there for the Friday Service of Remembrance and that will be followed by the Friday night Social time with the theme of MASH (Do you remember the show on TV) Come in your drab green Army garb and enjoy the fun. SET THE DATE April 13 & 14, 2018

Advisory board if the Lioness could change their motto from “We serve too” to “We serve together”! Unanimous “YES”! Forevermore, the Lioness motto is “WE SERVE TOGETHER”!

The International Lion's theme this year is “The power of WE”! Fitting, don't you think!!

God bless us all.

Hope A. Dougherty
Proud to serve as your Affiliate District President!

100% Awards

For the 2017-18 Lioness year, the 100% President, Secretary and Treasurer will be due at the end of June 2018. This will give the Affiliate President a true picture of the accomplishments of each officer as well as give them the time to complete all the requirements. The awards will be presented when the Affiliate President visits your club in 2018-19. At this point there will not be an annual Awards dinner due to more attendance in the past. This could change should there be a club who would like to step up and host this event.

The awards criteria and forms are available on the Wisconsin Lioness web site, wisconsinlioness.org, go to resources. There is a ton information on that web site for your club to use. Check it out.

P & A Reports

It is so important that your Affiliate President, Affiliate Secretary and the District Governor receive your P & A reports monthly. Your club information helps let these 3 officers keep track of how many Lioness we have in our district. That information is then sent to the Wisconsin Lioness Advisory Board so that our State Lions and Lioness are aware of how many Lioness we have in the state. Your contributions and hours of service let everyone know just how productive the Lioness are and vital to the service we all perform. Here are the names and email addresses for the above mentioned officers.
